- 32mm x 3mm squircle rose also available
- Screwless installation, supplied with instructions
- Suitable for 35-54mm doors
- Grub screw on underside of lever
- NO plastic packaging

SUITABILITY

STANDARDS

TECHNICAL

For optimal performance, un-sprung lever sets such as the **RT-MINI series** should be paired with full-sized locks or latches featuring '**Grip Tight Followers**', such as those from our ZDL, VDL, and ZUK ranges.

If tubular latches are required, we recommend ordering the '**SP-RT-MINI01**' - '**Rosso Mini Spare Spindle for use with Tubular Latches**' to ensure smooth and reliable operation.

Please note that, due to the un-sprung design of the RT-MINI series, budget latches are not advised. Should tubular latches be necessary, we recommend using our **ZTLKA series**.

CODE	DESCRIPTION	FINISH
RT010-MINI-PCB	Lugano lever on 32mm round mini rose	Powder Coated Black
RT010-MINI-PCW	Lugano lever on 32mm round mini rose	Powder Coated White
RT010-MINI-PVDBZ	Lugano lever on 32mm round mini rose	PVD Bronze
